

this is  
not the end of the  
story but the start  
of your new journey

No Henry this is not your typical secondary college classroom

Drawing by Henry Castlemaine PS

We just thought of something. We don't know what you look like. So you will need to do a drawing of yourself and create your own visual signature.

A visual signature can describe you as a person even show your own personality, characteristics, your interests or belonging to a community group; it's a graphical representation of yourself.
